Thanks for the email Andrew. I am glad you will be following me in the race! Your support means a lot to me. Here is a link to a TV show I was in this past weekend. I thought you may be interested.

Dear Mr. Linton,

My class and I are starting are starting a new project called the Iditarod Project. What we have to do is try to find five people who we think has a chance of winning. I think you have a pretty good chance at winning this 2009 race. You may not think that you think you did well last year, but I think you did very well. You have inspired many people to do things they think they can not. You have even inspired me. I am wanting to do the Iditarod one day. Please email me back because I want to know what to do. I know you can do it again and maybe even win it. I hope you the best luck!!!!

Sincerely,

Andy D
