Hi Brvce

Good to hear you are studying about the Iditarod and the sport of dog mushing. It's a great sport. I get the dogs names from different ways, sometimes the dog just sparks a name at me sometimes we use a "theme" to name a litter, like one litter can be named after power tools, "Mikita" "DeWalt" or named after cartoons Hobo was named after a well known Alaskan Singer, he wrote the song "Iditarod Trail" the song is song each year at the Iditarod banquet, his name is Hobo Jim.

Good trails

Lance

Dear Lance Mackey,

How about that Elim??? Hi I am Bryce from a super small town in Texas. My class and I are writing to three of our favorite Iditarod mushers for our Iditarod Project and I choice you for one because the way you run the it and the way you treat your dogs. Also for the project we have to ask a couple of questions about you. Where or who did you get your dogs name from and will Hobo be running this year? Well good luck this year on making it number three.
