Hi Heavin - Thank you for your e-mail and kind words. I am honored that you think of me as accomplished and an inspiration. I don't consider the Iditarod confusing at all, more like, exciting. I plan to do my best. It should be fun.

Dear Lance,

I'm Heavin Chesne and I am doing a project on the Iditarod in my 8th grade technology class and you're an inspiration to me. You over came throat cancer and worked harder because of it. You are one the most accomplished people I have ever learned about. I would like to know how confusing it is to be in the Iditarod. I hope you win your third in a row this year, because I know that is one of your many goals in this race. I hope your dog team stays in tact this year. Out smart Jeff again and don't give up. You're the best. Have fun.

Sincerely,

Heavin C
