Miranda you are wonderful!

Thank you for your e-mail.

The weather is historically easy to deal with, but if a storm does come through during the race I know we can handle it. I am prepared.

My best

Lance

Dear Lance Mackey,

Hi my name is Miranda and I'm from the Celeste Junior High class of 2008-2009 and my class and I are learning and studying about the Iditarod. My class and I are so much in love with you we all loved how you were so strong all through the race. We watched the 2008 Iditarod Season on the Discovery Channel.

I want to thank you for what you do and I hope that you have luck and God on your side this year. Just a quick question do you think that the weather is bad?
