

CISD “TAKS” SCORES TAKE OFF

Texas Assessment of Knowledge and Skills (TAKS) 2008 Results Grades 3 - 8

Elementary and Junior High Reading TAKS Scores are in from Texas Education Agency (TEA), and Celeste Elementary and Celeste Jr. High School both scored high marks in all areas of the reading TAKS test. The Texas Assessment of Knowledge and Skills (TAKS) test was administered to our eligible students in grades 3, 5, and 8 for reading during the second semester. These TAKS scores help us to look at program areas that need improvement. The TAKS measures the statewide curriculum in reading at Grades 3rd, 5th and 8th, and each student must pass the reading and math TAKS tests to be promoted to the next grade level.

Below are the scores for all three grade levels:

3rd grade = 100% of all students who have currently tested passed

5th grade = 97% of all students who have currently tested passed

8th grade = 97% of all students passed

CISD is proud of our outstanding teachers, students and principals. Scoring high test scores on the TAKS test is a testament of our educational accountability, but providing exceptional educational needs to the students in Celeste schools will always be our first priority.
