

CHS launches new Book Club

ONE WORD AT A TIME

Celeste Librarian Julie Dillard imagined a library roundtable of students actually enjoying reading their books, engaged in lively meaningful discussions about the books story- line. Dillard envisioned students that liked their books enough to be eager to share with their classmates. With those thoughts in mind Mrs. Dillard set about starting up an innovating new Book Club at Celeste High School. The Celeste Book Club will help students develop critical reading skills by providing them with a meaningful context in which they learn how to think critically about the books they read; engage in reflective dialogue with their peers, and express their opinions and reactions in conversation. Meetings will take place before school at least once each six weeks. "Book- talks are a great way to share a good book and invite others into the story," said Mrs. Dillard. CHS hopes that students will join the Book Club and start enjoying reading – One word at a time.
